

MAN AND TWO GIRLS

Meet Death While Sailing on the Detroit River.

PLEASURE TRIP'S TRAGIC END

Yacht Capsizes and Drowns Two Young Women—A Would-Be Rescuer Is Also Drowned.

Detroit, June 19.—About 5:30 o'clock this evening the yacht Caprice, with twenty-seven young people on board, was capsized near Peche Island, several miles above the city, near the Canadian shore.

All of the party were thrown into the water, and Carrie Bieber, aged 19, and Minnie Mogk, aged 17, were drowned.

The yacht Duke, while coming to her assistance, attempted to turn, and Henry Pashow, Jr., was knocked overboard by a boom and also drowned.

All the bodies have been recovered. Of the party on the Caprice fifteen were young women.

USED AN AX

While Drunk on a Man Who Beat His Wife.

Homer, Mich., June 19.—A chopping affair occurred here between two men last night. William Cowden and a man named Wood live with their families in the south part of town, occupying the same house. When Cowden went home he found Wood beating his wife, and seized a sharp ax and struck him a savage blow which may result in Wood's death. Cowden was immediately put under arrest and placed in the lock-up, but escaped during the night, going home, and trying to persuade his wife to make another assault on Wood, but was prevented by force. Both men were frenzied with drink at the time.

Kicked Against Back Assessments

Charlotte, Mich., June 19.—About 250 members of the Ionia, Barry and Eaton County Fire Insurance company met pursuant to call in this city yesterday for the purpose of forming some plan to resist the numerous back assessments which have been pouring in rather freely of late. Most of the members who met claimed they paid up all of their back assessments over a year ago, and surrendered their policies, which they supposed were canceled, but the company now claim they are not, which accounts for the present back assessments. They had a hot meeting and it resulted in quite a stir, being raised for the purpose of resisting the claims to the bitter end. They have engaged as counsel Frank A. Dean, and will fight the matter to the bottom.

Gives Them a Tired Feeling

Lansing, June 19.—Field day is still upon the Agricultural college students' minds, but is now looked upon in a different light than ever before. When the contests were over, and so many prizes were won by the home athletes, and especially after the final ball game, a more joyful lot of students were never seen, but when the expenses were all defrayed and the debtors' side of the account book showed over \$300 more than the credit, the boys felt sick. The students have already paid \$250 per capita tax, besides receiving a donation of over \$100 from the faculty.

Murderer Captured in Detroit

Detroit, June 19.—Detectives made an important capture about 11 o'clock last night in arresting Joseph Clark, alias Lee Gates, a colored man, who is wanted in Louisville, Ky., on a charge of murder. The offense for which Clark is wanted was committed in June, 1929, a colored man named Taylor Shepard being killed, another named Price seriously wounded. Clark, who is charged with the crime, left immediately after it occurred, and was not heard of until recently, when he was located in this city. He is 34 years of age, 5 feet 5 inches in height and weighs about 145 pounds.

Box Car Tourist Frogged

Vicksburg, Mich., June 19.—Paul Senter, a painter from South Bend, Ind., jumped a box car on the C. & G. T. through freight going east, at this station, and fell, striking the back of his head against a frog on the switch. He was picked up unconscious and taken to a hotel where a doctor dressed an ugly wound on the back of his head. He skull was not fractured and he will undoubtedly come out of his mishap without serious results.

Section Boss Killed

Big Rapids, June 19.—While Charles Yungquist, section foreman on the Grand Rapids & Indiana railroad, was running a hand-car last night, a south-bound passenger train ran over and almost instantly killed him just north of the upper depot. He leaves a wife and family in Big Rapids.

Big Washout at Jonesville

Jonesville, Mich., June 19.—The heaviest rain of the season visited Jonesville last night. The fall was five and a half inches. It washed out the railroads very badly. At one place, eighty miles west of the Lake Shore & Michigan Southern railroad depot, the washout is sixty feet long and eighteen feet deep.

Around the State

Great preparations are being made by the Methodists of Southwest Michigan for their annual camp meeting at Crystal Springs, Cass county, August 3 to 15. About \$20,000 has been expended on the grounds during the past several years in outcamps and improvements, and a complete water works system is in operation. The new tabernacle is 150x225 feet in dimensions, and has a seating capacity of 4,000 people. The evangelistic services will be under the direction of Messrs. Potter and Miller of Chicago, and among the noted divines present will be Bishop Bowman and Chaplain MacLean.

The Father of Many Ills

Constipation leads to a multitude of physical troubles. It is generally the result of carelessness or indifference to the simplest rule of health. Eugene McKay of Brantford, Ont., writes: "I had for several years been a sufferer from constipation, had taken a great many different remedies, some of which did me good for a time, but only for a time, then my trouble came back worse than ever. I was induced by a friend, whom I had known for many years, to try them. Took two each night for a week, then one every night for about six weeks. Since that time I have not experienced the slightest difficulty whatever, and my bowels move regular every day. I believe firmly that for sluggishness of the bowels and biliousness BRAXTON'S PILLS are far superior to any other."
